BISTRO**

What makes a bistro different?
For us, it's about the food and
the people we serve. We
specialize in smoked meats but
we love to put a refined twist
on all sorts of delicious
comfort foods.

We use local, quality
ingredients, making small
batches from scratch. From
time to time we run out of
something but rest assured we
have plenty of other
delicious options.

Comfort food redefined.

*Consuming raw or
undercooked meats, poultry,
seafood, shellfish, or eggs may
increase your risk of
foodborne illness, especially if
you have a medical condition.
