

What makes a bistro different? For us, it's about the food and the people we serve. We specialize in smoked meats but we love to put a refined twist on all sorts of delicious comfort foods.

We use local, quality ingredients, making small batches from scratch. From time to time we run out of something but rest assured we have plenty of other delicious options.

Comfort food redefined.

*Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have a medical condition.
